

# Called to Go

A Sermon by Pastor Dawn

What if disciple-making is conversation, friendship, influence, invitation, companionship, dance? What if it is something we do naturally *wherever* we go?

# Christians are called to help one another

---

- “fair balance between your present abundance and their need, so that their abundance may be for your need” (2 Cor 8:13-14)
- mission is working with others in the body of Christ

# The importance of worship

---

- In an age of busyness, dissatisfaction with organized religion, and stress in the denomination, consider committing yourself to the counter-cultural practice of worship as you discern your calling.

# Led by the Spirit

---

- We all want the flashing neon signs and clear directions. But that is not the way of the Holy Spirit. Let us learn to listen and discern the movements of the Holy Spirit.

# Growing New Leaders

---

- If the church is to grow and thrive, part of its work is continually growing new leaders.

# Sharing the Good News

- From personal experience
- A story of salvation – freedom from sin and law
- Disciples making disciples
- The great commission - we are called to go, to teach, to live as disciples of Christ and to raise up others to live as disciples.
