Bound by Love

Welcome & Announcements

Prelude

Call to Worship:

We come acknowledging competing demands and expectations, aging partners and parents, schooling children at home, unplanned furloughs and expenses, fractious politics and division

May we be bound with love.

We come acknowledging the differences between us, the diverse array of experiences that shape us, the narratives we tell ourselves.

May we be bound with love.

We come acknowledging the many ways that being a community of love and grace are challenged in this time, in this place, in us, your people.

May we be bound with love.
